Information for Presenters

Please bring your presentation (PowerPoint or PDF) on a USB drive and arrive in your session room approximately 15 minutes before the session starts.

A member of the organising team will be available in each room to collect your presentation and assist with the setup.

Alternatively, you may E-mail your presentation to priorities2026@uni-bayreuth.de by the evening before your session.

Parallel Sessions: Keeping time

A parallel session with four presenters

Each participant has 20 minutes in total: 12 minutes for the presentation, followed by 8 minutes of discussion.

A parallel session with five presenters

Each participant has 18 minutes in total: 12 minutes for the presentation, followed by 6 minutes of discussion.

A moderator will guide the discussion and help keep the session on schedule.
